1/GSO Communications Division T/O Change

The position of Tabulating Equipment Supervisor GS-5, position #234, presently shown on the Communications Division, Communications Security Branch T/O should be deleted and a new position established in the Communications Division, Office of the Chief, titled Administrative Assistant at the GS-7 level and inserted as the fifth position in order of arrangement. This change does not alter the ceiling established for the presently approved Communications Division T/O.

It is requested that your records be adjusted accordingly.
